About me and my projects?
<https://senixcode.dev>
<https://github.com/senixcode/my-website>

How to contact me?
codesenix@gmail.com
<https://t.me//senixcode>
<https://www.linkedin.com/in/senixcode-developer/>

Why senixcode?
I would like to try something different, possibly
may not look very professional to some people,
I'm looking for an identity that is easy to
remember.
